The nomination committee’s (NC) propositions for the Annual General Meeting 2021 in Enea AB (publ)

The nomination committee

The nomination committee (“NC”) for the AGM 2021 consists of Per Lindberg, Jan Dworsky (Swedbank Robur Fonder), Niklas Johansson (Handelsbanken Fonder), Henrik Söderberg (C WorldWide Asset Management), and Anders Lidbeck (chairman of the board of Enea AB).

The NC has appointed Per Lindberg as its chairman.

The list of members of NC was published in the Company’s interim report for the third quarter on October 21, 2020.

The NC has held six recorded meetings and has been in regular contact in-between. As a basis for its work, the NC has interviewed the members of the Board. The NC has been informed of, among other things, the company’s strategy, risk management, and control functions. The NC has also taken note of the Board’s own evaluation.

Propositions

• The NC proposes that Anders Lidbeck is elected as chairman of the AGM 2021 or, in his absence, the person appointed by the NC instead.

• The NC proposes that the board shall consist of six ordinary members elected by the AGM without any deputy members and that one auditor is appointed.

• The NC proposes re-election of Anders Lidbeck, Kjell Duveblad, Mats Lindoff, Birgitta Stymne Göransson and Charlotta Sund as members of the board, and new election of Jan Frykhammar as member of the board. Jan Frykhammar has long experience from the IT- and Telecom industry, previously holding positions as interim group CEO and CFO of Ericsson as well as serving on the board of several technology companies and industry organizations. The propositions by the NC are supported by an unanimous NC.
The nomination committee's reasoned opinion

The NC believes that the proposed composition of the Board ensures a functioning corporate governance, which is in the interest of all shareholders. In designing its proposal, the NC, in accordance with the Swedish corporate governance code and the company's diversity policy, has taken into account the need for breadth, versatility, expertise, experience, and background that is needed to contribute to Enea's future development, and has taken into account the requirement to strive for gender balance. The NC has applied rule 4.1 of the Swedish Corporate Governance Code as diversity policy. The proposed Board members represent this, as well as knowledge of and far-reaching experience from industries in which the company operates. According to the NC's assessment, the proposal for the Board fulfills the requirements regarding the independence of the members in relation to the company and the management, and in relation to the company's major shareholders. The NC has taken into account that the board members must be able to allocate the necessary time for their assignments in the company, and considers that this is the case in view of the proposed board members' other assignments.

Appointment of nomination committee

The NC proposes that a new NC shall consist of representatives of two of the largest shareholders as well as the chairman of the board. The NC may, however, also consist of representatives of three or four of the largest shareholders as well as the chairman of the board, if the chairman of the board notices such an interest amongst the largest shareholders in connection with the formation of the NC. The chairman of the board is assigned to contact the four largest (according to number of registered votes) shareholders per September 30, 2021 and request them to each appoint a member of the NC. If more than two of those shareholders do not wish to appoint a member, additional shareholders (according to number of votes) will be requested to appoint a member of the NC. A shareholder representative should be appointed chairman of the NC. The names of the NC members shall be published in the Company's interim report for the third quarter. The period of mandate for the appointed NC shall run until the next NC has been appointed. If a substantial change occurs in the shareholder structure following the constitution of the NC, and latest three months before the AGM, the NC shall be adjusted in accordance with the principles above. The NC shall prepare and make proposals to the AGM regarding election of the chairman of the AGM, election of the chairman of the board as well as other members of the board, remuneration for the board divided between the chairman and the other members as well as the distribution of remuneration, if any, for work in committees, election and compensation of auditors and deputy auditors (if any) and principles for appointment of a new NC. The NC shall have the right to charge the Company with costs for e.g. recruitment consultants and other costs that may arise in order for the NC to carry out its assignment.
